Christmas Ministry Report By Charles Green

Lift up your eyes and look on the fields, for they are white already to harvest... for the time is come for you to reap; for the Harvest of the earth is ripe.
Jn 4:35; Rev 14:15

How do we learn the will of God?

Not long ago, a young man asked me this question, "How do I find the will of God?" My answer: "Learn to hear from God by recognizing the voice of the Holy Spirit, then purpose in your heart to obey that word from God, no matter the cost."

When Jesus left the Disciples and ascended on high, they had a choice to make—either to believe the word and promises of Jesus or turn back into the religious world system from which they had come. They chose to believe. We must do the same thing.

Jesus made two promises to them:
[1] I will send the promise of the Father, and you will receive power from on high.
[2] I go to prepare a place for you and I will return.

If the promise of the Holy Spirit had not come, they certainly would have distrusted any words and promises about His Second Coming. But thank God they did believe. They went and waited in the Upper Room, and on the day of Pentecost the Holy Spirit was poured out on them and all who were present.

Peter stood and preached the Gospel, telling them to Repent, Be Baptized and Receive the Holy Spirit. Three thousand people, plus the original 120, were brought into the Church, receiving Salvation and the Power of the Kingdom.

Because of their obedience, they walked...they ran to the world preaching the Powerful Word of the Gospel

and testifying that Jesus was alive. They entered into the most exciting and powerful adventure that any group had ever experienced in the history of the world. That same message, those same promises are available to us today.

But remember—we must first learn to hear from God, from Jesus, from the Holy Spirit.

Most of my teaching notes were destroyed in my office in New Orleans when Hurricane Katrina and the flood came in 2005. I was able to recover two of my most outstanding series of teachings:

- [1] Finding & Developing Your Ministry
- [2] Learning Holy Spirit Leadership

Within a few weeks I will have these available on our website:

REPORT OF VICTORY AND BROKEN HEARTS IN EUROPE

I sometimes travel alone when I am in the United States, but when I go to another country, especially overseas, I do not travel alone any more. On the two week trip to Europe my daughter and Executive Assistant Cynthia Green Crider went with me. She did all the business of the trip and took care of all schedules. I not only preached but I was also involved in some business and counseling sessions.

When I got home, I received three email letters telling me to come back soon, and if not, send Cyndy and her husband Matt to them. [Cyndy and I always give a good report on Matt. He is an outstanding preacher with a strong prophetic word.]

While I was in the U.K., two of our dear friends—Colin and Simon Cleminson took us to visit the Greensted Church, the oldest wood church building in the world. This church has been in operation since 1300 AD, with continuous services each week. You will see here a picture of the church and my picture standing behind the pulpit. I wish I could have preached there. I love good History.

MERRY CHRISTMAS
Charles & Barbara

We preached first in London to a wonderful church where I have many dear friends. They gave us a joyful welcome and treated us with great kindness. When I finished preaching on a Friday night [they had a Sunday Morning crowd—see top right photo on the front of this newsletter], they gave the Message the longest standing ovation I have experienced in many years. Men, women and young people came with tears, thanking us for coming to be with them.

**WE WENT TO PARIS
—NOT TO VACATION—
BUT TO PREACH THE GOSPEL**

I have a great friend in France, Dr. Samuel Rodrigues, who pastors two churches—one in Paris and the other in Lyon. Both of these are strong, vibrant congregations.

Many years ago, he came from Portugal to Paris, and there God has blessed him greatly. I preached in his Paris Church while he was in the Lyon Church. I spoke twice on Sunday and then met with Pastor Rodrigues on Monday night for an excellent Men's Fellowship where I spoke once more.

A young lady who is part French and part Vietnamese was my interpreter and she was very good. Her name is Chloe Aubert and you will see her pictured above (third from left) with Pastor Helena Rodrigues, Cyndy and myself.

Cyndy and I did one personal thing—we took a boat ride on the Seine River. If you are on Face Book, you will see many of my daughter's pictures showing the beauty of Paris.

**ADVENTURES IN THE
CZECH REPUBLIC**

One of my close friends in America had asked me to meet with a most unusual young minister while we were in Prague. This young man, Stanislaus Hart has a most amazing testimony of his salvation experience. Perhaps I will be able to tell you more at a later time. We had dinner together and learned a lot about his conversion, his call to the ministry and the success God has given him in his own country.

After talking with him, Cynthia and I invited him to my room. There we prayed for him, his family and his ministry. Prophetic words of encouragement came to him and he left rejoicing. All of Europe is going to hear about Stan Hart.

We traveled from Prague to Ostrava on a fast train where we met my dear friends Pastors Bohuslav and Felicie Wojnar. They pastor a great Church in Cesky Tessin, just at the Polish border. In fact, our hotel was in Poland...and a great hotel it was. We spoke in Pastor Wojnar's Christian Center Church (above) on Sunday morning. He and his dear wife also took us to a place I had read about but never expected to see—Auschwitz.

**BLOOD IS STILL IN THE
GROUND AT AUSCHWITZ**

I have described Auschwitz as “awesomely terrible.” The picture you see on the right is the railroad track coming through the main center building. Almost a million Jews came into this awful place... only a small percentage lived to tell the horrible story.

I think I am of average intelligence, but while I walked around the Auschwitz grounds

and buildings, I had a difficult time getting my brain to work, to realize what horror happened there. It was as if I were under the spell of the locale, not now...but it was like I was there with them.

Before I entered into the buildings of destruction and death, I paused to look all around. It was as if I expected to see the Death Squads still there. Then,

I would look down at the ground and then look at my feet to see if blood were there. I can tell you this—blood is still in the ground at Auschwitz. When Cain killed his brother God spoke these words to him: “What have you done? The voice of your brother's blood cries to me from the ground.” Genesis 4:10

And so it is at Auschwitz. The blood of hundreds of thousands of Jews is still crying out...while the leader of Iran denies it ever happened. In my opinion, he is demon possessed.

We wonder how human beings can do such things to other human beings, and then I remember the American Civil War. It was Brother against Brother, and it is still the most vicious killing and blood-letting, the most casualties of any war we have ever fought.

“The heart is deceitful above all things, and desperately wicked: who can know [understand it].” Jeremiah 17:9

**BAY TOWN, TEXAS REPORT
FROM THE PASTORS**

In September, before going to Europe, I went to Bay Town, Texas for a powerful Prophetic Weekend. My friend and Prophet Mel Davis went with me. It was my second visit to the Celebration of Life Church. It is a marvelous church with great pastors. I will let their Pastors tell the story of our visit.

Dear Dr. Charles,

The recent meetings with you and Mel Davis were life changing for our church (Celebration of Life) in Baytown, Texas and our family as well. Many within our church family expressed to me that the Lord ministered to them and that the word of Lord over their lives was so right-on and encouraging. The meetings were phenomenal.

Pastor Todd, Cyndy and I know that you are a true Father of the Faith. We need men like you and Mel Davis in our lives. We know that any man and woman of God that invites you to their church for ministry will be blessed and strengthened. The modern day church needs your wisdom and your anointing to be deposited. Your love for Gods people is beautiful and we have personally asked the Lord to help us love His people the way you, Barbara and Mel love God's people.

We look forward to your coming every year. We are so happy the Lord brought you, Barbara and now Mel Davis to our family and our church family, through John and Rose Moon. Thank you Lord and Thank you John and Rose for following the leading of the Lord.

Much Love,

*Sr. Pastors Todd & Cyndy Mooring
and Pastor Callie Woodward*

**JACKSONVILLE,
NORTH CAROLINA**

After the European Ministry, I have been in three great Churches. With only two days rest, I flew to Jackson-

ville, North Carolina to be with my friends PASTORS MIKE AND SHEILA PADGETT. They have adopted me as their Pastor, and we had one glorious weekend. They had a big outdoor Congregational Party Saturday afternoon. I found a chair in the middle of all the activity and saw everybody. Sunday morning—awesome!

NEW ORLEANS

On November 5 and 6, Barbara and I were at the WORLD WAR II MUSEUM in New Orleans. We were treated with such honor and respect, and we had a chance to see the new WWII film, BEYOND ALL BOUNDARIES. For every citizen of America, this is a must see!

BALTIMORE

On Tuesday, November 10, we flew to Baltimore to be with our family, BISHOP BART AND CORALEE PIERCE for their annual convention. The meetings were outstanding and powerful!

We stood on the platform in Baltimore and talked and ministered to a pastor and congregation on the Ivory Coast of Africa over live television. We also ministered to two pastors — father and son in Pakistan. Bishop Pierce ordained these pastors into his Rock City Churches movement. We prayed for them and prophesied the Word of God to them. How exciting!

We were also there with our dear friends Mel Davis, Joseph Garlington and David Kiteley. How privileged we are to have such people in our lives.

VIRGINIA

Mel Monk, an old friend and one of the Elders from Baltimore's Rock City Church drove us to the home of PASTORS ARLIE AND JERRY WHITLOW in Northern, Virginia. We

were with them in service on Friday night and two services on Sunday Morning. Arlie and Jerry started in a little tent 26 years ago, and they have brought forth a large congregation.

They have also built one of the most beautiful church structures I have ever seen. The spire reaches high into the sky and can be seen by people all over Leesburg, VA and Loudon County. Just looking at the lighted object seems to bring a feeling of peace as we whisper, “God and His people are there.”

**CHRISTMAS TIME IS
GIVING TIME**

God gave His only begotten Son to pay the penalties for our sin and bring us Salvation. Stripes were placed on his back to provide for our healing.

We are ready to give to you at this time—we offer ourselves to counsel you, comfort you and pray for your healing, especially offering encouragement to you for emotional healing for you and your dear family... Please send us your request and tell us your heart at this Christmas Time.

Will you also please remember our Harvest Ministries with your finances. You can see what we have done. I believe you can feel our dedication to God and His people...especially our love for you.

May God bless you and protect you until we meet again—by Letter, Email or in Person.

We Love you!
